Higher power is what you deserve!

To the ones who are linked to the land, but have eyes on the horizon and dream big...

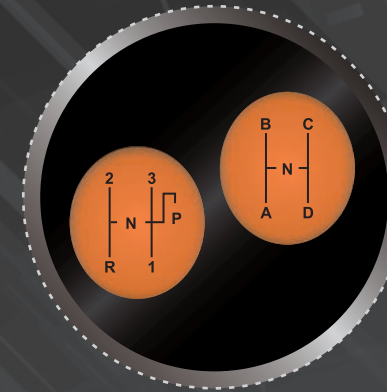

John Deere honours your high-flying ambitions with its strong and powerful range of tractors. Presenting PowerTech™ 5075E, now powered with the advanced and powerful High Pressure Common Rail (HPCR) Engine with 500 hours of service interval.

Your work with the land needs strength for a great performance. PowerTech™ 5075E with its high lifting capacity supports every implement to get the job done, every time. The 75HP tractor makes its presence felt with a massive productivity boost to your farming efforts. Additionally, it comes with the cutting edge of latest technology updates. That means you get what the future beholds, and always stay a step ahead.
